Bea Courtney posted a condolenceTo Elisabeth & Family, Jeff, Amber and Family and the rest of the Gang .I am so sorry for the sudden loss of your Dad. My brother was always a super brother to me and he loved you all so much. After leaving home we parted, being married, oil wells and work, but I never stopped bragging on the accomplishments of a coal miners son. I was so proud of him. I would have been even if he was just 'getting by'. He was my big brother and I loved him no matter what...unconditionally. I am sure my sisters felt the same also. What ever his title....Dad, Son, Brother, Uncle or friend.....we all loved him. Always remember that I will always love you all and I will always answer when you call. Aunt Bea
