Richard Emil Tice

DEC 30, 2020

Richard Emil Tice, age 82 of Canadian Lakes, MI, passed away unexpectedly December 30, 2020 at his home. Per his wishes, cremation will take place with no service to follow at this time. Richard was born May 21, 1938, the son of Lester and Ruth (Johnson) Tice. He touched the lives of many students during his 34 years as a science teacher for Sparta Middle School, and thoroughly enjoyed his time there. An avid outdoorsman, Richard spent a lot of time with his sons fishing, hunting, and hiking. After retirement, he was able to golf frequently with his Canadian Lakes friends at the local golf courses, including Tullymore and St. Ives, where he was a member. In his younger years, Richard was a phenomenal pitcher in softball. He coached 8th grade boys' basketball, and high school girls' softball for decades. He was an active member of the Cedar Springs United Methodist Church, as well as their choir director for some time. Richard's love for music and his beautiful singing voice led him to join the Canadian Lakes Men's Choir and Quartet. Caring, quiet, and kind were all words used to describe Richard. His gentle soul will be deeply missed by his wife of 21 Years, Sandra Tice; sons, Jeffrey and Terry Tice; sister, Judith Stark, and nine grandchildren. Richard was preceded in death by his parents; son, Thomas Tice, and sister, MaryAnn Roggenbaum.

Dick was my father-in-law I was married to his 1st son Tom who passed away in 1981. He helped me out in so many ways I can't count . His kindness surpassed anything in my time of need. I loved this man He gave so much to so many in different ways. Now he is in heaven with his beloved son Tom who I know he missed so very much -rest in peace Dick -you are dearly missed by so many...including Me. Love Always ,Ruth

Heather Tompkins posted:

Heather Tompkins posted a condolence Just a few days ago, I was thinking of Mr. Tice, and what a wonderful teacher he was. He was one of the few teachers who made a lifelong impact on me. I had him for science and homeroom in 7th grade, and science in 8th grade, back in the early 90's. He will be missed by the many People whose lives he touched. He was an amazing man.
