Bob my friend and Brother-in-law. It started years ago, lots of fun and laughs. You married my dear sister Marie. The two of you started a beautiful family together and made every one of us proud. I will never forget the family picnics and going to play hockey in Windsor all night long. And all the times we laughed ourselves to tears. And many more things that I will not talk about here. You were a good man Bob, I love you and will miss you. Here comes the next generation. I will talk to them of you. Your friend Vince Agius
