## **Helen Morgan**

MAR 14, 1919 - NOV 23, 2021

**H**elen Morgan, age 102, departed this world peacefully 11/23/2021 in Roswell, Georgia at her daughter and son in law's home. Born in Remus, MI., she was the 4th of 7 children of Alonzo Johnson and Martha Harris Johnson.

At an early age, Helen accepted Jesus as her savior and was baptized in Lake 6, Remus. Her family attended Wheatland Church of Christ, and she was active in the choir.

In 1937 she graduated from Remus High School. Helen married Otis Guy of Blanchard in 1939, where they resided, helped with the family farm and attended Trinity Wesleyan church. They were blessed with 3 children, Patricia, Lewis & Bonna. Tragically, Otis passed in 1957, and Helen begin providing as a housekeeper. She later studied at Alma College to become an LPN and worked in Mt Pleasant.

In 1966 Helen rewed Hudson Morgan of Grand Haven, where they raised Bonna. They attended Spring Lake Wesleyan Church. Helen was employed at North Ottawa Community Hospital and retired in the late 1980's.

Hobbies included gardening, canning & hosting friends & relatives at her home. Everyone enjoyed her apple pies and hospitality. Even at 101, Helen insisted in writing notes to those that she loved. She also cherished the O.S.R.A. and was one of the historians for the original Old Settlers Book. She was honored in 1984 for scholarship contributions. Helen was the reigning queen for over 10 years. She attended the first Old Settlers Reunion in 1934 and only missed 2.

In 2010 Helen relocated to Remus to be close to her oldest children, Patricia and Lewis. In 2018, age 99, Dennis & Bonna Rice (daughter) & grandson Dalton moved her to their home in Georgia.

Helen was preceded in death by her parents and all of her siblings: Theodosia, Albert, Friley, Thelma, Leverette, and Olie, Husbands, Otis Guy & Hudson Morgan, Daughter Patricia Guy Burns, Sister-in-laws: Audra Lett, Getrude Smith, Winifred

I remember Helen or I should Quote Mrs Guy delivering bottle gas with my father as he always insisted on mr. our Mrs. when we were interduced & the view still remains on the day Otis passed in their 66 Ford in front or near the Murra farm on Blanchard Rd. Dad & I for some reason we're in the area at the time probably someone needed propane. I share thought from our Andringa family as 101 shows her making 1yr longer than we all dream of Rip Mrs.Guy/Morgan

I worked with Helen in NOCH recovery room, Grand Haven, when Mary RN went on vacation. It was my pleasure to work with this lovely lady, and a wonderful, well qualified, LPN, too, in the 70s. We worked well together and laughed a lot too. From time to time I would see her and share smiles. I know she is in heaven with the Lord's arms wrapped around her. My prayers are for her and all of you family and friends.
