# Joey Allen Hulbert

JUL 3, 1972 - DEC 18, 2021

**O**n December 18, 2021, the world became a little less bright when Joey Allen Hulbert passed away unexpectedly, at the age of 49. He was currently residing in Big Rapids, MI.

Joey was born July 3, 1972, the son of Thomas and Jackie (Sharkey) Hulbert. He had a larger than life personality, and when he entered a room everyone knew it. Joey was a graduate of Tri County High School, and later drove school bus for them. His passion for doing hair led him to become a Cosmetologist, which was his calling in life. He worked at Guys and Dolls in Morley and more recently, A Flair for Hair in Canadian Lakes, where he had many dear friends. His clients loved him and he loved them. Joey had a way of making friends everywhere he went, and bringing laughs and joy to those fortunate enough to be in his company. Joey's big heart and love for his family led him into a caregiving roll, taking care of his beloved grandparents, Jack and Thelma Beemer, up until their passing. He enjoyed road trips and traveling with friends and family. He loved to cook, entertain, and thoroughly enjoyed being around people. Golfing was a passion of Joey's, and he went every chance he got. He didn't sit still often, and didn't have a lazy bone in his body, as he was familiar with hard work and dedication. As busy as he kept himself, Joey did enjoy time to slow down and sit at the park with his precious dog and companion, Annabelle.

Joey's vibrant personality and great sense of humor will be so deeply missed by his parents, Thomas and Jackie; siblings, Joshua Hulbert and Jennifer Hulbert; numerous aunts, uncles, nieces, nephews, cousins, and many dear friends.

Those desiring may direct memorial contributions to Joey's family.

A special thanks to all who have supported Joey's family during this time.

Jackie and Tom,I was so sorry to hear that Joey had passed. He was such a wonderful person to talk to and always had a smile. He liked to joke too. I will always remember the time he was driving in front of me and stopped at a stop sign. I didn't know it was Joey in front of me but he knew it was me behind him so he sat there at the stop sign just waiting for me to realize who it was. He finally got out of his vehicle with a big smile to reveal it was him. Joey will be missed.

Jo Jo was my happy place, Annabelle also, I hope she is ok. We decorated together and had so much fun with it. We danced, sang, watched Little House on the Prairie all the time and cuddled with his sweet baby girl Annabelle. He is truly missed. I will never forget you & your little dog too! You are my heart ❤️ I love you so much. My condolences and prayers go out to all of his loved ones. You will never be alone again Jo Jo and I know you have peace now.

Wow! Where do I start? I am the manager of Fremont Admiral, that's where I met Joey. 5 minutes into meeting him we were already becoming friends. How could I not? We became close friends very quickly and would go out to dinner then to the beach to let Annabelle run when we got out of work. We would sit for hours and just talk. How I miss my friend, I will miss his calls and our long talks. He told me about his mom and dad and how they would like Fremont lake. Joey would laugh because I would tell ANNABELLE and she would howl. Joey would come out of the gas station and say he could hear her inside the store. He told me she didn't do that for anyone else. We had so many good times this summer and I will miss my dear friends so very much!!
