Troy Harold Crossnoe

AUG 14, 1936 - DEC 19, 2020

CANANDIAN LAKES - Troy Harold Crossnoe, 84, of Canadian Lakes, passed away Saturday, December 19, 2020, at Mission Point in Big Rapids after 33 years of battling Parkinson's Disease.

Troy was born on August 14, 1936, in Flint, the son of Troy Talmadge and Nina Mae (Barkdale) Crossnoe, and was raised in Genesee County. In 1955, Troy graduated from Mandeville High School, and then attended Western Michigan University in Kalamazoo. Troy enlisted in the United States Marine Corps Boot Camp in 1960; he was appointed a Lance Corporal in the reserve of the United States Marine Corps. For 17 years, Troy worked for American Greeting Card before owning and operating Flint Office Supply. On December 12, 1986, Troy married Natalie (Martz-Erickson), and Troy and Natalie moved north from Grand Blanc to Canadian Lakes in the winter of 1997.

Troy was a great golfer and he enjoyed playing with his friends, sons-in-law, family members, and his wife Natalie. Troy worked on The Royal Golf Course as a ranger, and his other hobbies were woodworking and fishing. He made many pieces of furniture, and he taught all eight of his grandchildren how to fish, until his Parkinson's Disease made it too difficult for him to continue.

Troy was raised as Baptist but joined the Lutheran Church Missouri Synod on August 27, 1989 at Faith Lutheran Church in Grand Blanc, MI. Over the years Troy was an usher, elder, and joined in Bible study groups and served on various committees. His current home church is St. Peter's Lutheran Church in Big Rapids.

Troy leaves his loving wife of 34 years Natalie; his stepchildren Clayton (Lisa) Erickson, Abbie (Pete) Gebhart, Jennifer (Michael) Tews, and Jason (Julie) Erickson; and his grandchildren whom he loved, Brooke, Nicole, Brian, Natalie, Megan (fiancée Ryne), Nolan, Emma, and Cailey.

Troy was preceded in death by his first wife Margaret, his parents, his brothers

I was diagnosed with Parkinson's disease four years ago. For over two years, I relied on Levodopa and several other medications, but unfortunately, the symptoms kept getting worse. The tremors became more noticeable, and my balance and mobility started to decline quickly. Last year, out of desperation and hope, I decided to try a herbal treatment program from NaturePath Herbal Clinic. Honestly, I was skeptical at first, but within a few months of starting the treatment, I began to notice real changes. My movements became smoother, the tremors subsided, and I felt steadier on my feet. Incredibly, I also regained much of my energy and confidence. It's been a life-changing experience I feel more like myself again, better than I've felt in years. If you or a loved one is struggling with Parkinson's disease, I truly recommend looking into their natural approach. You can visit their website at www.naturepathherbalclinic.com. I started out taking only Azilect, then Mirapex, and then dopamine for my Parkinson disease, as the disease progressed they didn't help much. A year ago I started on PD TREATMENT PROTOCOL from Aknni Herbs Centre (www.aknniherbscentre.com). One month into the treatment, I made a significant recovery, my symptoms were gone including tremors. It's been months since I completed the treatment, I am symptom free and I live a very productive life all thanks to Aknni herbs centre !!!
