MAR 21, 1948 - MAY 14, 2016

Big Rapids-Richard Douglas Stern, D.D.S., 68, of Big Rapids joyfully received God's grace and entered Heaven through Jesus' mercies on May 14, 2016 after an extended illness. He was surrounded and lovingly cared for by his dear family and Spectrum Hospice. He was born on March 21, 1948 in Detroit, Michigan, the son of Melvin and Mildred Stern (both deceased). He lived with his family on the west side of the city working as a newspaper boy. During his Mackenzie High School days and into college, he earned money for school by working long hours as a party store clerk. Dr. Stern graduated from Wayne State University with a Bachelor's Degree in Zoology in 1970. He went on to earn his Doctorate in Dental Science at the University of Michigan, School of Dentistry in 1974. In his second year of studies, he met his beloved wife Caroline. They married at Beautiful Savior Lutheran Church in Troy, MI on May 11, 1973. Caroline worked to support them both in Rick's last year of Dental School with her job as a bibliographer at the University of Michigan's Graduate Library. They loved west Michigan and accepted Dr. Bob Scharp's offer to be a partner in a group dental practice. The two dentists happily worked together, first on Sanborn and then built the distinctive cedar clinic on the corner of Locust and State Street. Each dentist amicably decided to practice solo in 198, with Dr. Stern staying at the 106 Locust location. Daughter, Dr. Christa, and afterward son, Dr. Paul, joined their father to form the group dental practice of Caring Family Dentistry in 2001. They dramatically expanded the building and grew the practice from its original size. Dr. Rick retired from dentistry in 2011. He lovingly supported his dear wife Caroline all her 43 years of teaching at Ferris State University, and he continually encouraged her when she went back to school later in life to complete her doctorate degree. Since 1974, Rick quietly and generously shared his time, talent, and treasures by being an active church member, dedicated Bible study student, and diligent Elder at St. Peter's Lutheran Church in Big Rapids. He enjoyed

making Elder's visits to nursing homes, shut-ins, or anyone who wanted to hear about God's good grace. He was devoted to on-going service to others in our community on dental projects and doing Christian and civic volunteer work. His joy each summer for more than twelve years was going on two week long dental mission trips with his wife Caroline and their Honduran "mission family" doing volunteer dentistry for the poorest of the poor through the Christian Medical Missions International team in Honduras. There, he bonded with fellow mission team members such as Jorge, Bill, Tom, Lee, Herman, Klaus, Jessalyn, Ada, and many others. The mission team contributed many long days of loving labor and medical/dental materials to the thousands of subsistence farming families who would walk to the mission clinic for their only access to health care. When Dr. Stern remodeled his dental office in Big Rapids, he was blessed to be able to donate and ship most his used equipment to help start a new dental hospital in San Pedro Sula, Honduras. Rick was an amateur theater organist, avid boater, but most of all - he was consumed by studying his Christian faith, witnessing God's love and grace to others, and sharing the "Good News" of the Bible with everyone he could. Dr. Stern was a lifelong student of dentistry and a contributing member of the American, Michigan, Chicago, West Michigan, and Big Rapids Dental Associations and the Academy of General Dentistry. He truly cared about his patients and staff and was well known for his wit, humor, compassion, intelligence, kindness, work ethic, and gentle dental skills. "Opa," as he was known to family, is survived by his loving wife of 43 years, Caroline (nee Lind) Stern, Ph.D.; three dear children: Christa Stern-Lubahn, D.D.S., F.A.G.D. (husband Brad Lubahn and grandsons Mason and Jack); Paul Stern, D.D.S., P.O.S. (wife Heidi and granddaughters Kylie and Alivia); Myra Stern, M.A., all of Big Rapids, and adoptive son Dr. Gemechis Roro of Oregon. He is also survived by his brothers Robert (Joyce) Stern; Larry (Debbie) Stern; brother-in-law Richard (Anne Marie); sisters-in-law Christine (Robert) Hage and Catherine (Larry) Montsinger; his "recreational debate partner" and mother-in-law, Letizia "Letty" Lind formerly of Big Rapids; numerous nieces and nephews; and many brothers and sisters in Christ from St. Peter's, the community, Honduras, and beyond. Caroline and Rick learned important lessons in Christian faith when they

The service of commitment and burial will take place at Highland View Cemetery, with a reception to follow in St. Peter's gymnasium.
