So, So, sorry for your loss. Back in the day our parents were all members of the Adams-Rockey VFW and Auxiliary. All of us kids gathered there and played, while our parents played cards and talked and told stories.

Miss Till, where to begin, how to describe this sassy, feisty, and smart lady. She certainly taught some of us life lessons and to enjoy all that life can give. Sage advice I tell my younger persons...about stoves....I still laugh...thank you Miss Till for
