Alexia Lin Riley

DEC 20, 2004 - SEP 22, 2021

Alexia Riley, 16

Alexia was born on December 20, 2004, was granted her wings on September 22, 2021.

Alexia was a lover of animals, she didn't care if they flew, crawled were big or small. She had a love of music that crossed all genres. Her love of art was tasteful and unmatched.

Anyone who knew Alexia will know. She was a ray of light, bright as the dawn and as warm as the sun. If you knew her, you know Alexia could touch the heart of anyone she met. She will be missed by all of those souls.

Alexia's family will always love her, she will forever be in their hearts. So, until they all meet again, have a great adventure, they will see you then.

Care and arrangements are entrusted to the Mohnke Funeral Home in Big Rapids. Share a memory or express condolences at mohnkefuneralhome.com.

A true star. Gone too soon. As human beings, we pissed each other off from time to time, but always hugged it out before she let my house, to walk dingo jr., of course. We will miss you greatly. Love you Kiddo. 💙💜💚💛💖
