I first met Beth when she was selling the American Dream Resort in St John Plt, Maine. She hired my cleaning service to do some renovations for her. She was very pleased with my work and continued to have me do more work for her throughout all the properties that she had. We developed a wonderful friendship. She was a very kind soul. My condolences to the entire family on the loss of such a wonderful person.

I am so thankful for Beth and her family when we were teens. She helped me thru some difficult times. Life separated us as adults but she was never forgotten and will not be now. I pray that God will comfort you all during this time. I know she is praising her Savior with all her being!
