Robert Cleon Moser

DEC 7, 1949 - APR 24, 2025

Robert "Bob" Cleon Moser, 75, a man of unwavering faith and boundless generosity, passed away peacefully at 2:28 a.m., Thursday April 24, 2025, surrounded by the love of his family, at his home. He was born on December 7, 1949, the son of Cleon and Lois Moser. On April 25, 2009, Bob married Cindy K. Wall.

Bob's journey through life was marked by his dedication to service, his love for family, and his passion for the simple joys of life. A proud graduate of Reed City High School, Bob furthered his education by taking college courses that laid the foundation for his successful career as an electrician. His work with ANR Pipeline, followed by his tenure with the Hydaker-Wheatlake Company, showcased his skill and dedication to his craft. Even after his retirement, Bob continued to share his expertise with those in need, reflecting the selfless spirit that defined him.

He cherished opportunities to tend to his garden, with any reason to use his John Deere tractor being a cause for delight. His deep faith was a cornerstone of his life, and he was a longtime contributing member of the Reed City Church of the Nazarene. His commitment to his faith was evident not just in his words but in his actions, as he could often be found fixing things at church or pausing his own home projects to lend a helping hand to others.

Family time was Bob's greatest joy, and he was a beacon of love at family gatherings. He will be fondly remembered for the life lessons he imparted, teaching his children the value of hard work and the intricacies of caring for cars, lawns, and all things in need of repair. His legacy as a giving and loving father endures in the work ethic and skills he passed down to his family.

Conversations with Bob were never brief; he was genuinely interested in the lives of those he spoke with, seeking to understand the full scope of their experiences. His service as an honorably discharged United States Army Veteran was a source of immense pride, and he relished recounting his travels to Germany and the honor of serving his country.

DEC 7, 1949 - APR 24, 2025

Bob's love for history was another facet of his rich personality. He was drawn to the stories of places and things, often found reading historical plaques and sharing the fascinating details he uncovered. His adventurous spirit saw him walking the Mackinac Bridge on Labor Day with his family and the governor of Michigan, a tradition he held dear.

In later years, Bob looked forward to his yearly Notre Dame outings with his oldest son, Chris. These excursions, complete with a football game and the grilling of exceptionally thick steaks, were cherished moments of father-son bonding.

Bob and his beloved wife, Cindy, also opened their hearts and home as foster parents, providing a nurturing and structured environment for children in need. Their commitment to caring for these young lives spoke volumes about their capacity for love and their desire to make a positive impact.

Faith-filled, handy, and selfless—these words capture the essence of Bob's character. His impact on the lives of those he touched was profound, and his memory will be treasured by all who were fortunate enough to know him. Robert Cleon Moser's life was a testament to the power of kindness, the strength of faith, and the enduring bonds of family. He will be deeply missed, yet his spirit will continue to inspire and guide us.

Survivors include his wife, Cindy; children, Chris (Becky Henderson) Moser of Columbus, IN, Aaron (Kelli) Moser of Tallahassee, FL, Debra (Jeff Moeggenborg) Wall of Shephard, MI., Daniel (Liz) Wall of LeRoy, MI., Logan Moser, Donovan Moser, both of Reed City; siblings, Sue Carlson of Reed City, Linda (James) McCartney of Hudsonville, Carol (Robert) McKernan of Ewart, MI.; several nieces and nephews. He was preceded in death by his parents; infant grandson, Brendan Moser; daughter, Lisa Wall and brother-in-law, James Carlson.

I met Bob in 1969 at Fort Knox. We spent the next 8 weeks together in Basic Training. We hung around together with Richard Herrington. We were called the 3 musketeers. When we left Basic Training and went to our next assignment I didn't think that I would ever see him again. I purchased Little Engines in May 1983. The first week I was running the business this guy walks in to buy some parts and I looked at him and asked if he was in the Army in 1969 at Ft. Knox. He said yes, then he looked at me and remembered me. It was a pleasant surprise. We ended up coaching a tee ball team and a fast pitch team together. He was a great man. He will be missed, W.Mike Hewitt

The most wonderful memory of Bob was when Carol, Bob and I danced as children in the summer rain. He was delighted by the simple things in life and showed me how wonderful it was. My deepest condolences for those who knew and loved him.
