Peggy Jean Wheeler

FEB 11, 1972 - NOV 5, 2025

Peggy Jean Wheeler, of Stanton, passed away on Wednesday, November 5, 2025, at the age of 53. She was born on February 11, 1972, in Sheridan, MI, the daughter of David and Sheila (Van Horn) Linderman.

Peggy grew up in the Fenwick area and spent most of her life around Greenville and Stanton. She was known for her strong will, hard work, and outgoing personality. Peggy never met a stranger- she was social, outspoken, and full of life. In high school, she was remembered as "the coolest chick," someone who brought energy and laughter wherever she went. She was deeply proud of her work and her connection with the VA, and she had a special love for animals of all kinds.

Peggy lived life on her own terms, standing up for what she believed in and caring deeply for those she loved.

She is survived by her daughter, Emily (Jordan) Ginebaugh; her son, Kevin (Ashley) Gardineer; brothers, Jason (Christa) Linderman and Josh (Kim) Linderman; and two cherished grandchildren. She was preceded in death by her parents.

Peggy will be remembered for her strength, spirit, and the light she brought to those around her. Her laughter and love will be dearly missed.

A celebration of life service will be held at 2:00 PM on Saturday, November 15, 2025, at the Stanton American Legion Hall. Care and arrangements are entrusted to Janowicz Family Funeral Home - Lakeview.

Peggy was one of my best friends in late middle school and high school. Most of my memories are of us misbehaving as teens 😊. We spent many late nights up in her bedroom laughing till we couldn't breathe. She was the first person to befriend me when I started at Central Montcalm Middle School. As adults we moved to different parts of the state and only kept in touch every few years through FB. Peggy had a huge heart and she loved her family more than anything. My thoughts and prayers are with her children, brothers and their families.

Peggy was beautiful soul. I primarily knew her as a teenager. She was kind and a little bit crazy:) As an adult, I spoke with her on and off via our FB. She was always helping others. She grew into a kind, compassionate woman who gave much of herself to others. She will be missed.
