Polly Jo Kinnee

OCT 14, 1950 - JUL 12, 2025

Polly Jo Kinnee of Lakeview, Michigan passed away peacefully on July 12, 2025, at the age of 74. Born on October 14, 1950, in Lakeview, Polly lived a life full of warmth, laughter, and deep love for her family.

She graduated from Morley Stanwood High School in 1968, and from Davenport College in 1998 with high honors for a bachelor's degree. Polly had a spark that could light up any room and a heart big enough to hold everyone in it. She was fiercely loyal, endlessly generous, and always ready with a witty remark or a listening ear.

Whether she was sharing stories, offering advice, or just sitting quietly with someone who needed her-Polly made people feel seen and valued. She is survived by her beloved grandson, Joshua Kinnee, and her cherished siblings: Timothy Kinnee (Mary Kinnee, deceased), Bill Beemer (Helen Beemer, deceased), Peggy Beemer-Davenport, Tom Beemer, Andrew Beemer (Tim Campbell), Harriette Beemer-Leiby (Troy Leiby), Robert Beemer (Glen Minton), and Penny Turner-Lindsey (Sue Meyers).

She also leaves behind many loving nieces, nephews, great-nieces, and great-nephews who brought her endless joy. Polly is reunited in peace with her dear son, Zachary Kinnee; her parents, William Kinnee and Maurine "Micki" Turner and brother, Rick Beemer; as well as many loved ones gone before her.

While her absence leaves an ache in our hearts, we are grateful for the many memories she gave us-each one a reminder of her strength, humor, and unwavering love. A memorial service to celebrate Polly's life will be held on Saturday, August 23, 2025, at 1:00 p.m. at Lakeview Cemetery in Lakeview, Michigan.

All are welcome to come share stories and honor the remarkable woman she was. Luncheon to follow at Brigham Funeral Chapel in Lakeview, Michigan. Polly Jo Kinnee will be dearly missed-

I am very sad to hear of Polly passing. I am a neighbor of hers from years ago on Warick in Royal Oak. We both had young kids at the time and enjoyed many short get aways from them especially in the summer when they got bored. I am remembering all the stories and time that we both shared. Throughout the years I have been trying to locate her but with no luck. Early this morning (3am) she came to mind again. It was then that I went on to search again and found this very sad news. I was hoping to reconnect but God had a different idea. REST IN PEACE DEAR FRIEND ❤️ KATHY CARLEY

Polly was my best friend/Soul Sister for 50 years. Endless hours laughing, talking and definitely playing cards! We met when Polly wanted to go on vacation in Florida, while she was living in Boston. Someone suggested me, to stay with... even though I'd never met her... all with a day notice! Well, she came for her week vacation... And a week later, I found myself on a plane flying to Boston with her, to help her drive and move her stuff down to Florida. And well, the rest is history. No matter where we were, or no matter what state we lived in, we remained close. I even went to Alaska to see her, before she gave birth to Zach. I'm sad to see her go... But it does warm my heart knowing, that she will be with Zach again, who was the center of her universe. And all the others that passed before her, and I know she will have a welcoming committee in heaven to greet her. I know she's only a thought away... Pol... May your soul soar in the heavens ... 😊
