Corey you left us far too soon but your life and memories will live on forever. I miss you my friend, hope you're up there with a fishing pole and a smile on your face. Jennyffer Lunsted lit a candle in honor of Corey.

I remember when Aunt Annette was getting married to Uncle Joey; Corey was my partner as we both were in her wedding. He had stitches in his head from a hammer but he never let that detour him from being embarrassed. Ill miss you lil cuz.... Lifesaver you a shitty hand and you dealt with it the best you could...
