I remember me and Victor when we went to Lansing on outings, we would stop by to see Aunt Mary and Uncle Ron .. She was always a great hostess wanting to feed us ... And I remember our family reunions she would make her famous magic cookie bars, and like everyone I love them too, and she ended up making a pan full for me. Every time we had a family reunion and sweet as she was she didn't want no one's feelings to get hurt so she would tell me don't tell nobody I made these special for you Alana. And I remember her big smile and sweetness that she carried she will be very much missed. She was one of my favorite aunts as well.

I remember when we would have the Krawczyk Reunion, she made her magic bars for dessert and wouldn't let us eat until everyone was there for the reunion! She was so cute when she would say that to us young people. What a sweet Aunt and always excited about our Reunion. I love you Aunt Mary you will be missed by us!
