Dear Indira, I am so sorry to hear about the loss of your dad. I know how special you were to him and vice versa. I know how much it meant to him when you could come to visit and bring snacks or pick up his laundry, or take him to the grocery store. I loved hearing all the fun stories about him and can't imagine how hard this is on you!! Please know that you and your family are in my thoughts and prayers! Love, Tammy
