Megan Marie Mitchell

JUN 4, 1970 - AUG 15, 2022

Megan Marie (Mulholland) Mitchell born on June 4, 1970, in Lake Metamora, Michigan went home to be with her Lord & Savior on August 15, 2022.

Devoted to her family & friends, Megan loved game nights, holiday gatherings (for ALL Hallmark holidays), open houses, wedding receptions, and sisters' weekends where she often showed up late even with her nickname, "Speed". She loved to garden & play in the dirt, can & feeze, and cook & bake as well as weave baskets, paint & quilt. She was extremely creative & could envision the pattern & art in each stroke of paint on canvas or piece of fabric & quilt.

She was a full experience shopper loving to look at every item in every aisle and make an afternoon or evening of grabbing a few items at any store. Megan spent the last years of her career as a title examiner with a gift for special projects where she formulated her thoughts & knowledge by "putting pen to paper" as her mother taught her as a young child.

She could see the ownership of a parcel of property back to when "God owned it" and loved the adventure of researching & mapping it out. Surviving Megan are: her husband, Ronald C Mitchell; children: Tony Bannen (Heidi), Nikke Bannen, Drew Bannen (Alyssa), and Emmett Mitchell (Bianca); grandson, Eldon Bannen; best friend, Kevin Bannen; her father, L Charles Mulholland (Judy); her siblings: Jamie Bunting (Lon), Jodi Stanowick (Brad), L Peter Mulholland (Tory), Mark Mulholland (Gina), Matthew Mulholland (Danielle), and Aaron Mulholland (Ashley) as well as many nephews & nieces.

She was predeceased by her mother, Gloria Mulholland & sister, Paige Denslow (Ron) as well as her grandparents, and most of her uncles & aunts. A visitation will be held on Saturday, August 20, 2022, at Brigham Funeral Chapel, 9977 W Howard City-Edmore Rd, Lakeview at 11 a.m. with funeral service to follow at noon, Pastor Dave Abberger officiating.

A funeral luncheon will follow at Lakeview Baptist Church, 9580 Howard City-Edmore Rd, Lakeview.

My favorite qualities about Megan is her ability to know what you need before you do and that she cared enough to try and make things better. 2 examples come to mind: it was the anniversary of my mom's passing and I called out sick from work because I was just too sad. She showed up at my house with a basket full of things to make me smile. And the second was when she rushed to the hospital when my son was having surgery to save his life. She brought me a note book and pen for notes etc. Seems small but she knew me. She knew I would have too many thoughts, questions and worries to keep straight. She was right. That little notebook was my lifeline to sanity. She just knew. She just cared. I loved her like crazy and she will be missed. I could live a thousand years and never find another with her heart. I can hear her in my head, " it's fine, seriously, it's all good" Well Megan, you are fine, you are good.

She was the co-worker that I knew if we sat next to each other in an office, we would probably get into trouble. I never met Meg but we had many chats on "Teams". Funny how a girl from the East side had so much in common with a girl on the West side. She would always check in just to say Hi or send a funny instant message. I will miss our chats that started out as title search/exam questions and ended up more like therapy sessions. To Meg's family, you are all in my thoughts. Rest in peace. Your friend, Raquel aka Firecracker.

To know Meg was to love Meg! A beautiful soul that left this earth way too soon. I worked with her at First American and she was an amazing co-worker. I think I might have even heard her talk about when God owned the parcel of land :) She was beautiful. She was strong. She was honest. She was caring. She was funny. She was my friend. We shared some of the same personal battles in life, and she helped me so much through mine. Once she told me, "Nicole, if you feel a little nudge, that is me, praying for you". I would like to extend those prayers to her family. To all of Meg's family, please know that I am keeping you in my prayers.

Megan was a great co-worker and a darling friend. She seemed to always have a smile on her face and would always help me with any work questions at anytime. She was my go to girl for title questions. We had many talks and laughs about life at work and out of work. She was so generous; always trying to give me candy or art supplies for crafts. She was a strong soul that loved people and her kids so much. She saw the best in others. I will miss her laugh. Thanks for being a great friend Meg. Rest in Peace. Your friend "Pelli".

I am so sorry to hear of Megan's passing. She was truly one of a kind! I have many wonderful memories of her, but a couple that really stand out are when she invited me over and showed me how to create homemade greeting cards and when she had more faith in my photography skills than I did and asked if I could take pictures of Emmett for his Senior photos. She was so incredibly knowledgeable when it came to researching as a title examiner and I was very fortunate to have her train me to do the same job. She had so much kindness and patience in helping me understand the ins and outs of title research, even when I asked the same question 100's of times! I will always be grateful for the friendship and comradery we shared during our time working together. Anyone who met Megan was blessed and better for having her in their life! Her legacy lives on in all the lives she has touched, the knowledge she has shared, and the advice and support she has given. My heartfelt condolences to her children, her husband, and her extended family and friends.
