Dave's presence in my life is as solid as a tree growing up in my childhood backyard. For as far back as I can remember, the family gatherings included his gentle and playful shenanigan's. I'm feel deeply fortunate to have been able to spend the Christmas of 2019 with Carla and Dave. Dave deep fried a turkey and kept my cocktail glass full. We spent days wandering the frozen Michigan landscape, playing games, and getting to know each other as adults. Dave was as good as they come and my heart radiates with warmth reflecting on his memory.

Dave and I would send messages back in forth in FB Messenger. Some funny, some bird pictures I would find, some political, I forwarded a music video with Lee Greenwood, God Bless the USA ,who sang with a group of military along with others. He said the song spoke for him and he loved it. He was red, white and blue inside and out. Till we all meet again ♥
