My dad, I don't know why I miss you so much. But, I do and I wake up at 4am thinking about chess and I cry. An idea me and you had 28 years ago, I figured out how to do. I'm working on filing rights to the idea. I solved a math problem. I have no photos of me and you! You didn't get to meet my son.

Scott loved visiting us in The Villages, going to Katie Belle's in Spanish Springs which was one of his favorite spots, to go upstairs have dinner and dance when the music came on. So many wonderful memories of our visits. What a great stepson, "Son."
