My favorite memory was going to Lake Michigan, Pere Marquette Beach and spending the afternoon sitting at the edge of the water and letting the waves tip us over. It was hilarious! Love Gloria

I am sending my deepest condolences to Bonita's family. I am a childhood friend. We were in the same class and we rode the same bus all those years. In the last decade, we reconnected and what joy! We picked up right from where we left off way back. I remember Bonita as a joyful soul and met that same gracious lady just a few years ago. How wonderful to talk and laugh and share memories from so long ago. I will miss those phone calls and those great laughs. Share your memories and remember Bonita with love. I definitely will.
