Bernie was my best friend all through our school years. He lived right across the street from me. I have so many memories of all the things we did together. We even joined the Navy together. I will miss him and always remember him as a great friend. Rod Foxhoven

I got to work with Bernie for a few years, every chance we had to talk we would have a few laughs and complain about management. We shared a lot, along with age we were both in the military. My condolences to Bernie's family.
