Scott, Randy and Family So sorry to hear of your Moms passing . I had the pleasure to work with Judy years ago at the bank and was always impressed on how very good she was at her job. Judy was a friend, a neighbor with always a friendly wave when one drove by. She will be missed by all. Prayers The Skinners

My heart goes out to my sister Angie, Randy, Scott and their families, along with all who knew and loved "Grandma Judy". I feel of all roles she ever embraced, it was the one that involved her being a grandma. Your forever angel will always shine down. So very sorry.

Aunt Judy was one of the kindest and most thoughtful people I had the pleasure of meeting. After my Grandpa passed away, Aunt Judy would always be over most weekends to hang out with my Grandma and make sure she was doing okay. A selfless individual, Aunt Judy always put her family first, whether they were her siblings, children, grandchildren, or even her great nephews. I miss her immensely, and it pains me that I won't get to bump into her at the credit union or grocery store and just catch up on life, and see that smile and her face light up just seeing me. What a lady, what a life.
