I had the pleasure of meeting Sue 25 years ago. We worked with one another while employed at the Soaring Eagle Casino Surveillance Department. I was deeply saddened to learn of her passing. Sue was our work mom. She loved her family, and spoke often of her son, Ken. She took talk endlessly about crocheting and her stockpile of yarn, and Yoders. I'll never forget how compassionate and concerned she was for me when my grandmother and grandfather passed. We all loved Sue and will mourn her, but also take heart of how fortunate we were to have known her. I offer my deepest sympathies to all of her friends and family.
