Maxine was such a wonderful person. I work in housekeeping at Mission Pointe and always enjoyed seeing her. She loved popping bubble wrap, and I could hear little popping sounds as I cleaned her room:) I'm so glad I got to meet her, and I'm very sorry for your loss. ***** She's in the sun, the wind, the rain; she's in the air you breathe with every breath you take. She sings a song of hope and cheer, there's no more pain, no more fear. You'll see her in the clouds above, hear her whisper words of love. You'll be together before long, until then listen for her song. ~Christy Ann Martine
