I miss my dad. You could always count on him. He was as dependable as the sun rising. He was always there for us. Dad didn't talk ill of anyone, he didn't swear, he did not like conflict. I will try to live my life with those characteristics. Regarding this COVID -19 pandemic, he would probably say,"It's just one of those things." He has left a big hole in my life. I'm fortunate that God gave me my dad. Sleep tight and don't let the bed bugs bite. I love you Dad. "Debby"
