## **Beau Brennan Belson**

MAR 26, 2014 - DEC 25, 2019

**L**akeview-Beau Brennan Belson, age 5, of Edmore passed away unexpectedly on December 25, 2019 in Six Lakes. He was born on March 26, 2014 in Carson City, the oldest son of Dennis "DJ" and Samantha (Shine) Belson.

Beau attended Kindergarten at Montabella Community Schools, where math was his best subject. He was a master at the game Perfection. He loved old video games, and was obsessed with Mario. Beau was extremely bright, very kind and the biggest sweet heart. He was his dad's shadow and cuddle buddy, wanting to always be at his side, and mom's little helper.

He would often say "I like your hair mom, you are so beautiful", and remind his dad to be careful. The world should remember his innocence, and the fact that it didn't matter who you were, Beau wanted to brighten everyone's day. His huge smile and sparkling eyes would change the atmosphere wherever he went.

Beau will forever be loved and missed by his parents, DJ and Samantha Belson of Edmore; his 3 siblings, Sophia "Sophie", Lucas "Luke", and Milo; grandparents, Dennis (Denise Van Allsburg) Belson of Lakeview, Holly Messer of Lakeview, Kevin and Rebecca Knapp of Six Lakes; great-grandparents, Lou Messer of Six Lakes, Everett and Bonnie Shine of Six Lakes; aunts and uncles, Helen (Eugene Johnson) Seeback of Lakeview, Giddion (Robyn Van Houten) Riley of Sheridan, Sarah (Evan) Dingle of Georgia, McKenna Mc Cormick of Lakeview, Evan Shine, Brittany Knapp, Madison Knapp, Kolten Knapp, and Melody Shappee all of Six Lakes; several great-aunts, great-uncles and numerous cousins.

He was preceded in death by 3 great-grandmothers, Sandy Andersen, Helen Messer and Janet Knapp. Funeral Services to celebrate Beau's life will be at 11:00 AM on Saturday, January 4, 2020 at New Beginnings Church, 1154 W. Fleck Rd, Six Lakes.

The family will greet friends from 4:00-7:00 PM on Friday, January 3, 2020 at Brigham Funeral Chapel in Lakeview and again on Saturday from 10:00 AM until time of service at the church.

Oh Beau. How I loved spending your preschool days with you. Trying to wake you up from nap time gave me the giggles. I would stand you up, and right back down you would lay. Either that or you would nap at the snack table. You were the sweetest, sleepest, Mario loving boy and you will be so missed. I will miss your big smile and wave as you came off of the bus, heading into your Kindergarten class. Love you little buddy. ❤️

I have never met this little kidd how ever he seems extremely happy and always will be! May God be with you and your family! If times are hard just think of this pome! The Dash Poem By Linda Ellis "I read of a man who stood to speak at the funeral of a friend. He referred to the dates on their tombstone from the beginning...to the end. He noted that first came the date of birth and spoke of the following date with tears, but he said what mattered most of all was the dash between those years. For that dash represents all the time that they spent alive on earth. And now only those who loved them know what that little line is worth. For it matters not, how much we own, the cars...the house...the cash. What matters is how we live and love and how we spend our dash. So, think about this long and hard. Are there things you'd like to change? For you never know how much time is left that can still be rearranged. And be less quick to anger and show appreciation more and love the people in our lives like we've never loved before. If we treat each other with respect and more often wear a smile, remembering that this special dash might only last a little while. So, when your eulogy is being read, with your life's actions to rehash...would you be proud of the things they say about how you spent your dash?" Thoughts and prayers, Random Acts of Kindness!

I have been honored to be your Grammy. Grandpa Dennis said he'd share his Grand babies with me. You are our firstborn Grandson. Through the years that number has grown to just about 7 grandchildren. (1 more due soon) We will forever treasure your sweet hugs and carry your love in our hearts our beloved Beau-Beau. As Grandpa always says "It's not good-bye it's see ya later." Until then, we can only strive to be the things we love most, about those who are gone. We will always remember your gentle heart. You already have made a tremendous impact on this world doing great things, this is your legacy. 💙
