Mark will surely be missed. He was a gentle soul and always had a kind word or a cute giggle. I am so sad that he was taken from us by that horrible disease. I wish I would have stopped the last time I went by the house but we all know how that goes. My family and the Raglins have been friends for as many years as I can remember. It breaks my heart that they have to go through this terrible ordeal.

The first time Mark came to our back door my husband called out to our son "some long haired hippy is here to see you". We learned to love that long haired gentle man with a huge heart!! So sorry for the family's loss!! I won't be able to be at the funeral but know that you are in my thoughts and prayers!
