We will both remember the summer Tim, Sheila and the kids came to the UP for a vacation. Many great days spent on the beach of Lake Superior. It was 1976 my sister Shelley and me rode the bus to then the high school in Edmore. Exited left and Tim, Shelley and me walked and talked for miles behind Hitachi went back to his place played game after game of Strip Poker under the covers and giggled and laughed as kids do. And that's how Tim and made class skippers in our 12th grade 1982 year book. We had to much fun that day..... And we had a million more. I thank God for September and the Ozzy concert (they share the same bday) I LOVE YOU TIMYOUR TEXAS ROSE XOXO Ryan, Vanessa, Shelia and family, I'm holding y'all close to my heart and I'm sorry for your loss, Love and prayers, Alane

I have so many great memories of you Vinny!! Concerts, canoe trips, your cool car with the one of a kind console, hearing you on the radio while driving down the road talking on Lynn's lunch box telling the listeners about the birth of Vanessa's baby, standing up with Jarvie when we were married. You always smiled and always made us laugh. You were a true friend and I feel blessed to have known you. Love you Tim Vincent, till we meet again ❤️
