Roberta M Tiffany

OCT 25, 1947 - DEC 7, 2018

Roberta M. Tiffany, 71, of Edmore, MI, passed away on December 7, 2018, at her home, with her family at her side.

Roberta was born in Grand Rapids, MI, on October 25, 1947, daughter of Robert Morris Russell and Vera May (Thorson) Russell. She graduated from Rockford High School in 1965 and afterward became a beautician. For over 20 years, she worked as a cashier, first at Crystal Flash and later at Speedway.

She loved her job and working with the public. She could talk to anyone and made many lifelong friends with her friendly, cheerful personality and sense of humor. Everyone loved "Bert". Roberta loved to be outside and enjoyed everything about nature, especially birds, butterflies and frogs. She had an unusual ability to coax wild animals to let her touch them.

She enjoyed cutting wood with her husband and loved to visit with family and friends while tending a bonfire. Whenever she was with her grandsons, she wanted them to play music and sing for her. The song entitled "In The Garden" had a special meaning for her and it always made her cry. Her family will always cherish these memories and she will always be loved and missed.

Roberta is survived by her husband, Daniel Lee Tiffany, who lovingly and faithfully cared for her during her two months of illness. She is also survived by her daughter, Melissa (Robert) Mayfield; her son, Tyrone (Angela) Hacker; and her husband's children, Jill (Corey) Wittengen, Ryan (Amanda) Tiffany and Meghan Tiffany.

Her grandchildren include: David and Daniel (Melissa & Robert); Eden, Renee, Brooke, Torie and Dylan (Ty & Angela); Landon, Justin and Lucas (Jill & Corey); Jamie and Danielle (Ryan & Amanda). She leaves behind 10 great-grandchildren: Landon, Blake, Joshua, Karleah, Chera, Kendrali, Justin, Odonis, Dominic and Mary.

I only remember Bert back in the 90s which seemed like a long time ago. When I was moving out of my apartment in Salem on Sunnyview Road, Melissa came over to visit with her mom. I had a bonsai tree in a small planter. I seem to recall Melissa's mom, Burt, really liked the shape of the tree and so she picked up a pen and a piece of paper and began to draw it. Her drawing was so good. It was beautiful. I never knew she was an artist until that moment when she whimsically sketched it out in just a few moments. I held onto her drawing for a long time. And now I will hold onto memories. I wish I had more time to make more memories with Melissa's mom. Burt was casual and kind and I felt at ease around Her. She will be missed sorely and she is loved.

There are so many amazing memories that I could share. I think the ones that stand out the most would be coming up to mom and Dan's for Memorial day (for Ty and Dan's birthday) and Labor day with lots of friends, family, food, and fun. I am the LUCKIEST woman in the world to have had the privilege of calling her my mother in law. Normall, there is a negative stigma associated with "mother in laws." Not for me, she has taught me the true meaning of unconditional love from a parent. Mom loved people and people loved her!! When thinking about her, I think about her love for the outdoors and wildlife. She is the only person that I have ever known that could reach out and bond with wild animals. She has pet a wild skunk...yes, a skunk!! Also, when she would go feed the burds, they would welcome her by landing on her head, shoulders and the can of bird seed. The hummingbirds would do the same. She was able to hand feed the chipmunks, frogs, a deer with a fawn, and even had a pet raccoon! I am so thankful for the time that I had to spend with her. She took me in and loved me like her own daughter. I could go on and on about stories and memories but one thing I know for sure... is that when she passed, heaven gained a perfect angel, she definitely earned her wings....
