Michael Scott Bouck

FEB 6, 1967 - OCT 7, 2018

Michael Scott Bouck, age 51, of St. Louis passed away unexpectedly on October 7, 2018 in Wyoming, Michigan.

Michael was born on February 6, 1967 in Greenville the son of Clair and Michele (Wickware) Bouck. He was raised in Greenville and graduated from Greenville High School with the class of 1985. Michael continued his education at Montcalm Community College where he earned his Associates Degree in Business.

He started working at the age of 16, at Meijer for over 20 years. Mike then continued his employment at Weller as a service manager for 3 years, as a manager for Muffler Man for 1 year, a lineman at Electrolux for over 2 years and currently at Delfield in Mt. Pleasant for over 5 years.

Mike loved being outside; hunting, fishing, mushrooming with Izzy, camping, kayaking, landscaping, kites, baseball, going to Wheatland and bonfires. He was the best at making bonfires. He loved to argue politics, had a wonderful smile and "smiley eyes" that always gave him away.

Mike had the stinkiest feet! He had to wash his feet before coming in the house and leave his shoes outside. He was a member of the "Scubscouts" and a pool league. More than anything, Mike loved "his girls" and his family.

Michael will be deeply missed and is survived by his daughters, Mailary (Garrison) Barton of Wyoming, Cortnie (Marcus) Jensen of Belding, and Samantha Bouck of Grand Rapids; his mother Michele (Ken) Baker aka "Micki and Pops" of Lakeview; his father Clair (Sharon) Bouck of Greenville; Papa Mikes' Girls, Isabella "Izzy Butt", Ellynor and Olivia; brothers and sister, Kevin (Krystal) Bouck of Litchfield, Maine, Steve Bouck of Greenville, Jennifer Bouck of Lakeview, plus all of his additional siblings from his blended family.

Kenedi Bouck lit a candle in honor of Michael.

I remember the first time he bought me my first kite and we went into the field to play with it. I remember the day I had a birthday party and he rode my tricycle down the hill. I remember the day we had a bonfire at grandma and grandpas and he went in the woods and lit his lighter and started making scary noises. I remember we had a Christmas party at grandmas and he had his speaker and had an app on his phone that made animal noises and he hid the speaker under the bench on the deck and told me to go outside and he made it sound like there was a bear outside. That was my uncle. The uncle that would take me mushrooming in the woods, the uncle that said the silly things. The uncle that would kiss me and then I would say you need to shave. The uncle I will forever miss. I love you uncle Mike and can't wait to see you sometime. At least I now know that I have an angel over me that will protect me and love me no matter what I do wrong in life.
