Betty was my mother's best friend (Freda Ostrander) They traveled together and went camping. My husband and I visited with Betty last fall. Betty helped my mom out in her later years. She was very special and I know the family will miss her. Our thoughts and prayers are with you.

I am so sorry to hear of Betty's passing. I worked with her many years at Gibson's. I also knew her as a friend outside of the shop. She was a great worker and a wonderful friend who was always up to some sort of antics. She was a hoot. I heard of many of her adventures through Freda, my adopted mother. I know that she has left you with many great memories and stories to tell over the days and months ahead. Hold tight to those for they are the essence of who she is. Blessings to you all.
