My heart goes out to all who loved him! I know that sweet smile and cute laugh will be greatly missed. Always friendly and loving, with such great things to say about everyone. He was so proud of all of you and proud to be loved by you. I have never and will never again clean a fish without thinking of Uncle Allan and Aunt Alice too, of course. They have taught us together how to do that and so much more, especially how to "adore each other". Thank you 🥹

Alice and family, I am saddened to hear about your husband, father, grandpa and great grandpa. I just want to thank Alice and Allan for being such sweet gentle people who took care of my son, Tory when he was extremely ill; their care, concern was amazing; Tory loved Allan and said he "teased me and made me laugh" which is exactly what he needed., Laughter is good medicine and in our case "proved to be the beginning of the cure" We cannot thank you enough for allowing us to share in your wonderful life. Tory lives is Hollywood but we always seem to think about you and Allan when we talk about his journey. He is writing his "life's journey" and you will be a part of that in his writings which he plans to share with kids who are going through cancer. I cannot thank you enough, I praise the Lord for you and your wonderful caring loving patience with us during that time. Our hearts, prayers and love go out to you during this difficult time. When we get to the end of our lives together, the house we had, the cars we drove, the things we possessed won't matter. What will matter, is Allan had you, and you had Allan. God bless
