Betty has been a wonderful client for decades. Betty and Gene took great care of their 4 legged friends and after Gene passed Betty continued to befriend many a furry feline. Betty was always caring and kind and always had nice words for those around her. It was a pleasure to know her (and Gene) and a privilege to take care of their furry friends. On behalf of our clinics and staff we wish to pass on our condolences but also to celebrate a wonderful life of a wonderful person.
