Don was a man who was full of life. He was loving, fun, funny and caring. Don so loved his family and friends. My parents, Vicki and Ray Pine and the Blaga sisters had the best times together forover 65 years! Of course food was always the highlight of their day! During their annual trip to Fort De Soto Park, Mel & dad held tongs, while Don wore an apron with balloons on it holding alibation! What I remember most is how Don always had a smile on his face! He was truly loved by many people and vise versa !
